

# THE 2017 NORTH AMERICAN LABORATORY FREEZER CHALLENGE

## ABOUT THE 2017 FREEZER CHALLENGE

The International Institute for Sustainable Laboratories (I<sup>2</sup>SL) and My Green Lab partnered to establish the North American Laboratory Freezer Challenge. Designed to optimize cold storage management practices in laboratories, the Freezer Challenge harnesses a spirit of competition and a scoresheet to target five areas of freezer management.

## FREEZER CHALLENGE PARTICIPATION

Laboratories of all sectors are invited to participate in the Freezer Challenge! Organize your team, select a creative team name, and start planning how you'll complete the Freezer Challenge together!
