

# 2020 INTERNATIONAL LABORATORY

## freezer challenge

### WHAT IS THE FREEZER CHALLENGE?

The International Institute for Sustainable Laboratories (I<sup>2</sup>SL) and My Green Lab have partnered again for the International Laboratory Freezer Challenge. Designed to optimize cold storage management practices in laboratories, the Freezer Challenge harnesses a spirit of competition and a scoresheet to target five areas of freezer management.

### FREEZER CHALLENGE PARTICIPATION

Laboratories of all sectors are invited to participate in the Freezer Challenge! Organize your team, select a creative team name, and start planning how you'll complete the Freezer Challenge together!

### WHAT SHOULD I KNOW BEFORE I SIGN UP?

**WHO:** All labs

**REGISTRATION:** At [www.freezerchallenge.org](http://www.freezerchallenge.org)

**CHALLENGE:** Now – May 1 (labs compete at their own pace)

**COST:** NONE! But you must register online

**AWARDS:** Photo in *Nature*, recognition at the I<sup>2</sup>SL Conference, October 2020

**QUESTIONS?** Contact [info@mygreenlab.org](mailto:info@mygreenlab.org) | 424.354.1494

### FOCUS AREAS

Good Management Practices

Temperature Tuning

Unit Retirements, Upgrades, and Unplugs

Cutting Edge Practices

Freezer and Sample Inventory
